

TRANSFORMING AIR PURIFICATION

1250+ Wall Mount

SEEKS, CAPTURES AND

**inactivates
indoor
pathogens.**

CHANGE IS IN THE AIR.

Greentech 1250+ Wall Mount
Active Air Purifier with PCO Technology

We measure success in microns.

Great for workshops, day care facilities, veterinary clinics, offices, nursing homes, restaurants, schools, nail salons, public restrooms - and so much more.

- Active Air Purification
- No Ductwork Required
- Easily Mounts to Wall
- 24/7 Odor and Particulate Reduction
- Replaceable PCO Cell, BPI Module, and MERV filter

Benefits of Greentech 1250+ Wall Mount

Continuous Purification

Reduces Odors

Mounts to Save Space

Sized for Multiple Locations

Wide List of Applications

Active Oxidation Improves Air Quality

Providing continuous air purification, this permanently mounted unit is perfect for spaces without HVAC duct access. Greentech 1250+ Wall Mount features the same active air purification technology developed and used by NASA.

Bipolar Ionization creates a plasma of electrical charges which removes allergens and other pathogens from the breathing space.

Photocatalytic oxidation (PCO) technology uses energy to activate a catalyst, turning moisture into products that continuously clean your space.

With a reactive surface area more than 16x greater than the competition, the Greentech 1250+ Wall Mount continuously purifies your space. The result is the reduction of allergens from pets, pollen, and smoke, as well as odors from mold, mildew, and more.

Features and Specifications

UNIT

- Model: 1X6110 (NO3) | 1X6111 (O3)
- Dimensions: 14.8" H x 13.3" W x 4.0" D
- Metric: 376mm H x 337mm W x 101.7mm D
- Weight: 5lbs (2.27kg)
- Materials: Powder Coated Aluminum
- Unit Warranty: 2 Year Manufacturer's Warranty
- PCO Cell & BPI Module Warranty: 1 Year Manufacturer's Warranty

PERFORMANCE

- Airflow: 16 CFM
- Optional Ozone Output
- Coverage: 1250 ft²

POWER

- Supply Power: 100-240VAC | 21W
- Operating Power: 24VDC | 0.77A

TECHNOLOGIES

- Photocatalytic Oxidation (PCO)
- Bipolar Ionization (BPI)
- Activated Oxygen (Ozone) - Optional Tech

Please review all instructions in Owner's Manual before purifier operation.
